Experience:

Kehoe Designs

Seasonal Graphic Designer – October 2024 - April 2025

- Collaborated with sales reps to design, render, and print event collateral for clients around the United States. Designs are created using Adobe Illustrator and Photoshop.
- Utilized and maintains EFI and Roland printers to create material ranging from signage, vinyl wraps, and build outs
- Printed materials include foamcore, plastic sintra, and vinyl.
- Tasks included logo and event identity design, digital invite creation, digital illustration, typography, layout formatting, proofing, AI prompting, and the creation of mockups and renders.

8 Hospitality

Lead Graphic Designer – August 2021 - September 2023

- Designed event flyers, branding, websites, menus, and general marketing collateral for seven different 8 Hospitality company owned brands including Hubbard Inn, Joy District, Parlay River North, Parlay Lincoln Park, Cafe Bionda, Cardozo's Pub, & HVAC Pub. These tasks extended to sister companies including Eventstand, Sur Le Lac, Chicago Parking Solutions, BBPS, 606 Valet, Windy City Mart, City Lake Group, external venue concepts, and an upcoming medicinal cannabis company.
- Managed the 8 Hospitality design team by managing larger scale projects, delegating tasks, performing critiques, and providing templates for other designers. Created marketing collateral for appearances including Bryan Cranston and Aaron Paul, Sean Kingston, 50 Cent, Chromeo, Iann Dior, and Sammy Adams.

YourMD / CARE Health

Contract UIUX/Graphic Designer – August 2020 - June 2022

- Designed UIUX, logo, and branding for the electronic medical records application, CARE Health, currently in progress.
- Oversaw UIUX design implementation with CARE tech team
- Co-designed yourmd.ca website with continuous updates being made via Wordpress
- Designed blog for YourMD.ca
- Designing/building marketing collateral in the form of digital landing pages and print and fax advertisements
- Video editing, animations, and voiceovers for digital media kits, CARE Health app tutorials, and social media videos

CJPALME Design — cjpalmec.com

Freelance Graphic & Product Designer – May 2016 - Present

Designs and builds modern and efficient UI UX and graphic design solutions. Utilizes proficiency in multiple design and web building platforms, strong written and verbal communication skills, and quick turnarounds to build solid customer service experiences.
